Sound Reduction

The attached premium acoustic underlayment, made up of sound dampening high-performance cross-linked foam is designed for supreme sound reduction, shock absorption, mold and mildew resistance.

Macabeo - Whether you love the look of tropical hardwood or traditional oak, the wide array of Macabeo designs will provide an inviting setting for guests and family to gather. The thoughtfully designed patterns, rich colors and playful mix of species redefine your space. These durable, waterproof, easy to care for luxury vinyl floors work well in residential and commercial spaces, making it the perfect flooring choice.

Tortosa - Tortosa visuals feature the natural characteristics and authentic beauty of ultra-wide 9 1/4" plank timber. The warm, inviting, and neutral organic tones captivate the true beauty of Hickory. Realistic feel embossing and enhanced bevel edged planks add to the natural look. Tortosa is perfect for coastal, mountain and urban decors.
